CONTENTS

光華劍橋
Guanghua Cambridge School

- **Theoretical**
- **Experiment**
- **Analysis**
- **Presentation**
- **Essay**

THEORETICAL

光華劍橋
Guanghua Cambridge School

➤ How to start from scratch?

- Refer to as much essays as you can.
- Skim most of them and study methodologies.

➤ Where can I innovate?

- We are NOT expected to become experts.
- Pick up the slack for the pioneers.

EXPERIMENT

光華劍橋
Guanghua Cambridge School

- **Must towards some **purpose**.**
 - **Verify your theory.**
- **You can ask for help.**
 - **3D model** I used was supported by Tony.
 - The formal experiment was done in **school**.
 - Tutor suggested a **rough work**.

ANALYSIS

光華劍橋
Guanghua Cambridge School

- **Diagrams ugly but need sense of advanced.**
 - It is necessary to talk big.
- List **equipment** if necessary.
- Need to show the method of thinking.
- Need to **expand** your theory and **generalize**.

PRESENTATION

光華劍橋
Guanghua Cambridge School

- **NO LONG PARAGRAPHS!**
 - It is **EXETREMELY** boring to read.
- Lists are useful to remind yourself.
- Do NOT be DDL warriors!
- **Animations** are NOT essential.
- **COLORS MAYBE USEFUL.**

ESSAY

光華劍橋
Guanghua Cambridge School

- Formulae must be **correct**.
- **Multiple** teachers can assist.
 - Tutor (Dr. Hou) confirmed paragraph subjects.
 - Dr. Gao corrected text style mistakes.
 - Had better **self-derived** every formulae in essay.

ATT.

光華劍橋
Guanghua Cambridge School

- **Beautiful typography** could be useful.
- **Connect with tutors as much as possible.**
- **Cry out any obstacles in reflections.**
- **Be thankful and grateful. :D**
